

AT A GLANCE

About PACE

PACE Organization of Rhode Island (PACE-RI) is a non-profit health plan and provider of care for Medicare and Medicaid adults 55 and older who have chronic health needs and want to live at home.

Our Philosophy of Care

- Evidence-based practice.
- Interdisciplinary team is responsive and accountable for delivery, coordination, and management of care and services across all settings.
- Comprehensive network of providers across the continuum.
- Identify participants at risk and develop protocols for prevention.

Our History

PACE-RI has a 15-year history of proven results and growth. We have served nearly 1,000 frail adults since opening our first health center in 2005.
